

My name is Blancaflor Hernández. I have been teaching for 8 years and starting my 5th year at Nuna. This year I will be teaching Language Arts to 1<sup>st</sup> grade and Math to 5<sup>th</sup> grade. I love teaching small kids and see how they progress throughout the year. I am also a mom of a 10-year-old girl. She is the brightest star in my sky and always brings out the best of me.

Finally, I am an adventurer. When I am not teaching I am diving, birdwatching, exploring, rescuing snakes, or jumping off planes.

I hope we have a great school year. Looking forward to work along with everyone.
